Instructions

1. Have your identification ready as you approach the registration table.(A list of valid forms of identification is on the reverse of this guide)

2. In a primary Election, declare Democratic or Republican Party affiliation. In a General Elections, no party declaration is necessary.

3. Take the ID slip to the Ballot Table– Poll List Clerk. You will receive a ballot and a secrecy folder.

4. Advise an election official that you wish to use the Americans with Disabilities Act (ADA) accessible machine (AutoMark) to mark your ballot.

5. Insert your ballot into the Auto mark tray. An election official will instruct you regarding the ballot marking process and the Auto-Mark itself will give you step-by-step instructions via the screen or headphones.

6. Mark your ballot using the touch screen, directional buttons or your **Slip/Puff device**. **Touch the oval or name of your choice**.

7. Place your ballot in the secrecy folder and take it to he ballot scanner.

8. If you mark too many ovals in a race, votes for that race cannot be counted.

9. To change a vote, touch the **oval** or name again. This will cancel your choice, and then you may mark another choice.

10. Insert your ballot into the ballot scanner.
